DiversityBusiness.com Announces Its 2010 Top Businesses Federated IT Recognized with 7 Business Awards

Washington, D.C. – February 1, 2010 - In recognition of Federated IT's continued growth and success, DiversityBusiness.com recently named it as one of the top businesses in the United States in 7 different categories.

Our Trophy Case

Ranked **No. 459** in Top 500 Privately-held Businesses in the US

Ranked **No. 5** in Top 50 Privately-held Businesses in DC

Ranked **No. 3** in Top 50 Diversity Owned Businesses in DC

Ranked **No. 460** in Top 500 Diversity Owned Businesses in the US

Ranked **No. 76** in Top 500 Veteran Owned Businesses in the US

Ranked **No. 24** in Top 100 Disabled Veteran Owned Businesses in the US

Ranked **No. 40** in Top 100 Native American Owned Businesses in the US

This is the 10th annual listing of the United States Top Businesses by DiversityBusiness.com. Over 650,000 businesses in the United States had the opportunity to participate. The list is a comprehensive look at the most important segment of the United States economy - America's privately held companies. In addition, the list represents a compilation of companies that truly differentiate themselves in the market place in a time when doing so has never been more important.

The winning companies will be recognized at an awards ceremony at DiversityBusiness.com's - **10th Annual National Business Awards Ceremony and Conference** - in April in Washington DC.

"It is a great honor to be recognized as a top company in so many different categories. We continue to strive for excellence, even in our challenging economic times," said Federated's President, Matthew Bucholz, "And these awards further highlight the importance of small, diverse businesses in the American economy."

About Federated IT

Founded in 2002 by a retired US Army Special Operations Communications Officer and a retired US Marine Corps Officer, Federated IT is a Service-Disabled Veteran-Owned, 100% Native American-Owned, HUB Zone and 8(a) Certified Small Disadvantaged Business. Federated IT focuses on delivering high quality professional services for its customers and excellent benefits for its employees. Specifically, it provides innovative Information Technology engineering services and Information Assurance support to the Department of Defense (DoD), Intelligence Community (IC), and civil government customers. Headquartered in Washington, DC, Federated's employees provide professional services to customers located around the globe.
