DiversityBusiness.com Announces Its 2013 Top Businesses

Federated IT Recognized with 2 Business Awards

Our Trophy Case

Ranked **26th** in the Top 100 Native American Owned Businesses in the U.S.

Ranked **35th** in the Top 100 Disabled Veteran Owned Businesses in the U.S.

Washington, D.C. – March, 2013- In recognition of Federated IT's continued growth and success, DiversityBusiness.com recently named it as one of the top businesses in the United States in two different categories. This will be the sixth year that Federated IT has received business awards from DiversityBusiness.com

This is the 13th annual listing of United States Top Businesses by Diversity Business.com. Over 1,300,000 businesses in the United States had the opportunity to participate. DiversityBusiness.com's President Kenton Clarke stated that "These companies are among the ranks of innovators and visionaries that have earned the distinction of leading, growing and fostering a culture of sustainable growth among the businesses and communities they serve. Our Top Business List offers the most comprehensive look at the strongest segment of the United States economy- America's privately held companies. These companies are the most recognized and respected which truly differentiate themselves in our indeterminate market place."

The winning companies will be recognized at an awards ceremony at DiversityBusiness.com's - **13th Annual National Business Awards Ceremony and Conference.**

Matthew Bucholz, President of Federated IT commented, "We have been able to succeed because of the rich insight we gain from our diverse team. For that reason, we are able to offer a quality product to our customers. To have received recognition from DiversityBusiness.com for the sixth consecutive year is an honor. It is also a validation of all of the hard work our employees have contributed to our company."

About Federated IT

Founded in 2002 by a retired US Army Special Operations Communications Officer and a retired US Marine Corps Officer, Federated IT is a Service-Disabled Veteran-Owned, 100% Native American-Owned, HUB Zone and 8(a) Certified Small Disadvantaged Business. Federated IT focuses on delivering high quality professional services for its customers and excellent benefits for its employees. Specifically, it provides innovative Information Technology engineering services and Information Assurance support to the Department of Defense (DoD), Intelligence Community(IC), and civil government customers. Headquartered in Washington, DC, Federated's employees provide professional services to customers located around the globe.
