DiversityBusiness.com Announces Its 2012 Top Businesses

Federated IT Recognized with 3 Business Awards

Our Trophy Case

Ranked **56th** in the Top 100 Native American Owned Business in the U.S.

Ranked **14th** in the Top 50 Diversity Owned Businesses in D.C.

Ranked **14th** in the Top 50 Privately held Businesses in D.C.

Washington, D.C. – September 19th, 2012- In recognition of Federated IT's continued growth and success, DiversityBusiness.com recently named it as one of the top businesses in the United States in three different categories. This will be the fifth year that Federated IT has received business awards from DiversityBusiness.com

This is the 12th annual listing of United States Top Businesses by Diversity Business.com. Over 1,200,000 businesses in the United States had the opportunity to participate. DiversityBusiness.com's President Kenton Clarke stated that "Our Top Business List offers the most comprehensive look at the strongest segment of the United States economy- America's privately held companies. These companies are the most recognized and respected which truly differentiate themselves in our indeterminate market place."

The winning companies will be recognized at an awards ceremony at DiversityBusiness.com's - **12th Annual National Business Awards Ceremony and Conference.**

Matthew Bucholz, President of Federated IT commented, "To have received recognition from DiversityBusiness.com for the fifth consecutive year is an honor. It is also a validation of all of the hard work our employees have contributed to our company. The diversity of Federated IT is one of our main sources of strength and as we come together to tackle real problems, we have been able to continually provide the best possible service in this time of economic uncertainty."

About Federated IT

Founded in 2002 by a retired US Army Special Operations Communications Officer and a retired US Marine Corps Officer, Federated IT is a Service-Disabled Veteran-Owned, 100% Native American-Owned, HUB Zone and 8(a) Certified Small Disadvantaged Business. Federated IT focuses on delivering high quality professional services for its customers and excellent benefits for its employees. Specifically, it provides innovative Information Technology engineering services and Information Assurance support to the Department of Defense (DoD), Intelligence Community (IC), and civil government customers. Headquartered in Washington, DC, Federated's employees provide professional services to customers located around the globe.
