Federated IT Honored by Smart CEO for a 4th Year

Washington, DC (Jan. 2014) — Washington SmartCEO and Title Sponsor Chase honored the 2014 Future 50 award winners at a basketball-themed awards ceremony, which took place on Thursday, January 9, 2014 at the Sheraton Premiere at Tysons Corner. Sixty Greater Washington companies were recognized for their fast-growth based on a three-year average of employee and revenue growth. In all, 50 mid-sized Future 50 companies, five small Emerging Growth companies and five large Blue Chip companies were recognized in the program. The 2014 Future 50 winners collectively generate \$3.7 billion in annual revenue and employ 13,719 individuals in the Greater Washington area.

“The companies we honored this year are growing in spite of the economic hardships we have all been facing. These companies are investing in themselves, investing in their people and rising above the rest. They deserve to be recognized and celebrated because they are moving the economy and the region forward,” says Jaime Nespor, regional president of SmartCEO. “We are proud to recognize them for their achievements and growth.”

More than 550 executives, friends and family attended the black-tie event to celebrate the winners and their achievements. The evening kicked off with a cocktail hour and high-level networking. A seated dinner and video-packed awards ceremony followed to honor and celebrate the 2014 Future 50 Award Winners.
