**FEDERATED IT NAMED TO CRN'S 2014 SOLUTION PROVIDER 500 LIST**

Washington, DC (June 9, 2014) — Federated IT, Inc. today announced it has been named to the 2014 Solution Provider 500 (SP500) list by The Channel Company's [CRN](#). The list ranks the top revenue-generating technology integrators in the U.S. and Canada whose forward-thinking approach to the channel has helped them evolve and thrive in today's cloud and services-driven IT era. The list spans eight categories from hardware and software sales, to managed IT services. Federated IT placed 460<sup>th</sup> in the annual ranking.

"Staying focused on our primary core technical services while adapting to dynamic and disruptive technologies has been a fun challenge for our leadership and our employees," said Matthew Bucholz, President of Federated IT. "This is an exciting time to be in the information technology sector; and it's humbling to be recognized by CRN for having the ability to deliver distinctive IT and Cyber services in a way that adds value to the customer."

"The annual Solution Provider 500 represents those companies that truly understand the needs of customers today as the IT landscape evolves," said Robert Faletta, CEO, The Channel Company. "With so many options, this list has become an invaluable resource for vendors working hard to navigate the solution provider community and identify the best partner for their business. We congratulate the featured solution providers and look forward to covering their continued success."

A sampling of the 2014 SP500 list is featured in the June issue of CRN Magazine and is featured online at [www.CRN.com](http://www.CRN.com).
