FEDERATED IT NAMED AS A TOP WORKPLACE IN THE WASHINGTON DC AREA

Washington, DC (June 23, 2014) — Federated IT, a market leader in [IT Professional Services](#) for the federal government, today announced it has been named among the [2014 Top Workplaces](#) in the Metro DC area. Federated was noted for exceptional employment practices, including a commitment to employee development, employee benefits and incentivizing creativity in the support of achieving the customer’s mission. Ranked 54th on the list in the Small Companies category, Federated was one of the few Service Disabled Veteran Owned businesses to make the cut.

“To be named as one of Washington DC’s best places to work is a reflection of our strong commitment to our employees and our culture. We believe these values are the foundation of our business,” said Kelly Demaitre, Director of Human Resources at Federated IT. “This award is one of the most prestigious awards we have won as it was based upon direct feedback from our employees around the nation. It demonstrates our employees’ ongoing recognition of the company’s strong values, training programs, confidence in Federated IT executive leadership and as being a positive workplace. We are honored to be recognized.”

Federated continues to hire aggressively across the organization to meet the high demand for our IT and Cyber support services. For more information on employment opportunities visit [Federated Jobs](#).

About Federated IT

Founded in 2002 by a retired US Army Special Operations Communications Officer and a retired US Marine Corps Officer, Federated IT is a Service-Disabled Veteran-Owned, 100% Native American-Owned and 8(a) Certified Small Disadvantaged Business.
