FEDERATED IT AWARDED \$23 MILLION WASHINGTON HEADQUARTERS SERVICES (WHS) CONTRACT

Washington, DC — Federated IT was awarded a \$23 million contract to provide Microsoft Premier Services to Washington Headquarters Services (WHS) Enterprise Information Technology Services Directorate (EISD). Through infrastructure and system optimization and maintenance, Federated IT will enable WHS, as well as the Pentagon Force Protection Agency, Office of the Secretary of Defense (OSD), and other DOD components to achieve their functional missions and objectives.

WHS is the essential services provider for the Office of the Secretary of Defense (OSD), Department of Defense (DoD) agencies, and offices in the National Capital Region. WHS provides a wide range of centralized capabilities to DoD headquarters, OSD, and DoD components, enabling economies of scale for delivering essential administrative services to fulfill the mission of the Department. Federated IT will also focus on providing recommendations and improvements to accomplish the rapid scaling of the WHS core services and future infrastructure.

"Federated IT is dedicated to enhancing our Nation's Security by supporting the mission of our Government customers. We are excited to provide fully integrated and comprehensive Microsoft Premier Support (MPS) Services for all of the equipment supporting the OSD networks and to support the WHS mission in support of the Secretary of Defense, stated Federated IT President, Matthew Bucholz.
