**FEDERATED IT HONORED BY SMART CEO FOR 6<sup>TH</sup> YEAR**

**Washington, DC (Feb. 2016)** — SmartCEO hosted its largest and most anticipated awards program of the year, the Future 50 Awards, with Federated IT taking home honors for a 6<sup>th</sup> year as one of the fastest growing, mid-sized companies in the region. SmartCEO notes, “The companies honored at this event, represent the future of the region’s economy and embody the entrepreneurial spirit critical for leadership and success.”

Federated IT CEO and 6-time award-winner, Kyle von Bucholz, stated “The most rewarding aspect of leading a fast-paced company is watching our people achieve the results that others have not been able to achieve”. Mr. von Bucholz accepted the award on behalf of the entire Federated IT team.

The evening was presented by The Capitol Bay Group and featured a black-tie optional, rock and roll –themed awards ceremony. In attendance were over 500 guests including high-level executives, friends, and family.

**About Federated IT**

Founded in 2002 by a retired US Army Special Operations Communications Officer and a retired US Marine Corps Officer, Federated IT is a Service-Disabled Veteran-Owned, and 100% Native American-Owned Business. Federated IT focuses on delivering high quality professional services for its customers and excellent benefits for its employees. Specifically, it provides innovative Information Technology engineering services and Information Assurance support to the Department of Defense (DoD), Intelligence Community (IC), and civil government customers. Headquartered in Washington, DC, Federated’s employees provide professional services to customers located around the globe.
